SILVER SERVICE PROGRAM

Congratulations on becoming part of the Hutchinson Motors family.

Your new vehicle has passed our 99-point workshop test conducted by our factory trained technicians to provide you confidence and peace-of-mind motoring.

To reward your purchase, we extend to you our select silver service program, especially designed for our certified and used vehicle customers.

This includes:

- 3 Months Complimentary Vehicle Check
- Free 12 months roadside assist
- Capped price service program

Leading manufactures and motoring experts recommend 6 monthly or 10,000km services, whichever comes first. At Hutchinson Motors, we agree. Regular servicing and safety check's keep your vehicle in optimum condition and safe running order for you, your family and friends.

Our select silver service program is designed with this in mind, and is a piece-of-mind alternative to those looking for a substitute to the manufactures recommended scheduled service beyond the new car warranty period.

Once again, congratulations and thank you for joining the Hutchinson Motors Family. We look forward to your return visits and servicing your vehicle in well into the future.
