GREG RANKIN

Livestock Road Train Operator
Tanami Transport Alice Springs

What have been some of the challenges of your role?
"Remote and rough conditions are generally challenging but the Kenworth product handles these conditions the best."

What type of truck makes and models do you use?
"Kenworth C509."

Why do you choose our stores/parts?
"My old man always told me:
"When you're on a good thing stick to it.""

BRAKE PARTS

RUN WITH GENUINE.

MERITOR GENUINE BRAKE SHOE KITS

- Genuine OEM Parts approved as factory fit by major Global Truck & Trailer brands
- Genuine OEM Performance, Quality and Durability
- Genuinely for those customers who run with the best

**RUN
WITH THE BULL**

MERITOR

For over 100 years Meritor has provided innovative braking solutions for commercial vehicles. We understand the exacting performance and standards demanded by the best global truck OEM's. That's why we are trusted by so many to produce over 2 million drum brake assemblies a year. Our Meritor Genuine™ Brake Shoe Kits represent our commitment to all truck owners to deliver the same high levels of quality, durability and braking performance to their truck as the day it was first driven off the production line. **RUN WITH THE BEST.**

22.5 x 8.25 10-285 Dura Bright® Finish, Polished Inside, suits Drive & Trailer

Alcoa Dura-Bright® Wheels feature a surface treatment that stands stronger against tough conditions. It acts like a force field around your wheels that repels dirt so when it's time to clean, a simple soap and water wash gets you back on the road. No painting or polishing. Less time washing, more time driving

FLETCHER CHRISTIAN

Director / Owner / Driver

Fletchers Heavy Haulage, Paddys River NSW

What type of truck makes and models do you use?
"Kenworth T408 SAR, C501."

Why do you choose our stores/parts?

"I choose to buy from PACCAR Dealers because of their knowledge, service and ability to know exactly what part I need and sourcing it in a timely manner."

In doing so, my trucks are maintained to the highest of standards with only the highest quality parts, so I can rely on them when the going gets tough."

100 YEARS OF NORMAN G CLARK

Norman G Clark is a family owned Australian business established in 1919 and have been manufacturing Horton Fan Clutches in Australia under licence from Horton since 1975.

Being a market leader, the Horton Fan Clutches, Repair Kits, Fans and accessories are designed and manufactured to suit the harsh Australian conditions that trucks are operating in, while contributing to "uptime" for their many on-road applications across the country.

Horton Fan Clutches, Fans and solenoids are OEM parts supplied and fitted to Kenworth Trucks.

Prices herein are recommended selling prices for both Privilege members and non-members, inclusive of GST. Recommended selling prices are a guide only and there is no obligation for Dealers to comply with these recommendations. Freight charges may apply. All items have been included in good faith on the basis that goods will be available at the time of sale. Prices and promotions are available at participating Dealers from 1 July to 31 August 2019 or while stocks last.

*Calls from Australian landlines are generally free of charge whilst calls from mobile phones are typically charged based on the rate determined by the caller's mobile service provider. Please check with your mobile service provider for call rates.
