Apprentice Parts Interpreter

Stillwell Trucks NSW is looking for an Apprentice Parts Interpreter to join our multi-franchise dealership.

This position offers a range of duties such as dispatch and receivables of parts orders, parts identification for repairs and service work and parts sales to customers. We offer training and mentoring from our expert staff along with excellent working conditions with a friendly supportive team.

SKILLS & EXPERIENCE

- A drivers licence is strongly preferred
- A good mechanical aptitude
- Excellent literacy, numerical and verbal skills
- Willingness to learn
- Good eye for detail

To be successful in this role, candidates must have a friendly and outgoing customer focus, competent computer skills and good presentation.

If you're ready to kickstart your career, then click the APPLY button now to forward your cover letter and resume!

Only those who are successful in obtaining an interview will be contacted.
