Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>3</sup> Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

# MotorCycle Holdings Limited (ACN 150 386 995) (“MTO”) Corporate Governance Statement | 27 August 2019

The governance measures adopted by the board of directors of MTO (“**Board**”) reflect the Board’s endorsement of the recommendations contained in the ASX Corporate Governance Council’s Principles and Recommendations, 3rd edition, 2014 (the “**Principles**”). This Corporate Governance Statement discloses the extent to which MTO complies with the Principles and if it does not, why not. The commentary addresses the reasons for any departure from the requirements and the following legend has been used to summarise the status of MTO’s compliance with the Principles:

MTO complies with the Principle	✓
MTO does not comply with the Principle and is either working towards complying with the Principle or has alternative governance arrangements in place	!

Corporate Governance Principle and Supporting Information		
Principle 1 - Lay solid foundations for management and oversight		
1.1	The Board has outlined in the Board Charter, the Board’s roles and responsibilities and has established a clear distinction between its functions and those delegated to management.	✓
1.2	Appropriate checks including criminal record checks have been carried out on all Board members prior to their appointment. MTO will provide shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director at future general meetings.	✓
1.3	All directors and senior executives have a written agreement with MTO setting out the terms of their appointment.	✓
1.4	MTO Secretary is accountable directly to the Board, through the Chairman on all matters to do with the proper functioning of the Board.	✓
1.5	The Board has adopted a Diversity Policy (a copy of which is on MTO’s website). The Diversity Policy requires the Board to set measurable objectives for obtaining gender diversity. The Board has not yet set measurable objectives but intends to review the diversity statistics within MTO and use those measures to formulate measurable objectives. MTO is a “relevant employer” under the Workplace Gender Equality Act, and the most recent “Gender Equality Indicators”, as defined in and published under that Act are found in our WEGA Report, a copy of which is on MTO’s website.	!

Corporate Governance Principle and Supporting Information		
1.6	The Board will, with the advice and assistance of the Nomination and Remuneration Committee, review and evaluate the performance of the Board, each Board committee and each individual director against the relevant charters, corporate governance policies, and agreed goals and objectives. The requirement for these evaluations is set out in the Board Charter. A review of the Board, Committees and each director was undertaken this year and targets for 2020 were established.	✓
1.7	Performance reviews for the Managing Director and senior management take place at least annually. The Nomination and Remuneration Committee has accountability in its Charter to oversee these reviews and report to the Board on their outcomes. Disclosures in the remuneration report are made in relation to each reporting period as to the performance evaluations that were undertaken and the process that was followed.	✓
Principle 2 - Structure the board to add value		
2.1	<p>The Board has formed a Nomination and Remuneration Committee. The charter for the Nomination and Remuneration Committee is available on MTO's website. Membership of the Nomination and Remuneration Committee is:</p> <ul style="list-style-type: none"> <li>- Warren Bee (Chairman, independent, non-executive director);</li> <li>- Rick Dennis (independent non-executive director);</li> <li>- Peter Henley (independent, non-executive director); and</li> <li>- Rob Cassen (non-independent, non-executive director).</li> </ul>	✓

The induction process has included site visits and presentations by management.</p> <p>Directors are also given access to continuing education in relation to MTO extending to its business, the industry in which it operates, and other information required by them to discharge the responsibilities of their office.</p>	✓
<b>Principle 3 - Act ethically and responsibly</b>
