# OPENING WORDS

## FROM OUR GENERAL MANAGER

Well, personal safety and customer UPTIME has never felt so important! I am extremely proud of the 'can do' attitude and sense of commitment across the entire Australian Transport Industry.

Our industry is playing a critical role to ensure that our country is able to 'Move What Matters' during these times of crisis, whether it be drought, fire or pandemic, moving essential freight quickly to support our communities with the goods they desperately need. Our famous phrase "Without Trucks, Australia Stops!" has never been so apt.

Improvise, Adapt and Overcome. These 3 words have helped guide us at PACCAR Parts through this period. Ensuring the safety of our employees sees the majority of them adapting to work from home arrangements, while those employees working at both distribution centres in Bayswater, VIC and Berrinba, QLD are all adhering to social distancing and hygiene protocols.

Our industry leading PACCAR Supplier Network also stepped up when called upon and increased the inventory levels across the whole PACCAR Dealer Network by over \$10 million within 4 weeks. This is genuine UPTIME customer support.

Our PACCAR Parts July/August -'Moving What Matters' catalogue is focused on offering you great

new products and services that will help your business Improve, Adapt and Overcome.

We introduced a new TRP cleaning product range, including hand sanitiser and anti-bacterial alcohol spray. In addition, we continue to highlight and discount the many 'Australian Made' products throughout the catalogue.

We are also delighted to see the re-launch of the PACCAR Parts Privileges Plus program. The program has lots of awesome discounts on offer right at the time you need them most. So activate your membership today!

While we are all finding new ways to navigate our way through challenging times, a little bit of good luck also never goes astray! This picture was taken at our Berrinba, QLD Distribution Centre last month. I wish you all the best of luck during the second half of 2020. Stay safe and keep improvising and adapting in order to overcome and support each other.

July 2020

GENUINE PARTS

## Bullbar

FROM  
**\$8,000**

- Kenworth Branded
- Heavy Duty FUPS Compliant
- Spring Assist for Easy Lifting

### INTRODUCING THE ALL NEW HEAVY DUTY KENWORTH GENUINE BULLBAR!

Designed to fit all K200 and T909 models, this Bullbar is designed to be tough! 100% Australian engineered and manufactured to original equipment standards, the heavy duty construction features large heavy duty uprights, 100mm diameter tubing and strong steel mounts.

It also features spring assist for easy lifting. Unique to the Kenworth Genuine Bullbar, enamel Kenworth bugs are recessed into the side of the Bullbar. This is a great way to showcase your pride in your rig.

Backed by a 12 month warranty, a Kenworth Genuine Bullbar will protect your truck and keep you on the road.

## Radiator Assembly

**Engine fan working overtime?  
 Coolant residue visible where it shouldn't be?**

Don't wait until summer, now is the time to consider if your radiator is due for replacement.

Choosing a genuine radiator assembly means you are getting the same quality components and workmanship as when your Kenworth first left the factory. Beyond just a core replacement, a radiator assembly allows for faster removal and replacement, reducing labour costs and improving vehicle uptime.

Great price reductions across our radiator assemblies coupled with improved uptime for your truck or fleet certainly is a compelling reason to talk to your PACCAR Dealer about opting for a Radiator Assembly over a basic core replacement.

Available for Kenworth models:  
 T359/T409/T609/T659/T909/T950/K200

**OVER 80 VARIATIONS OF RADIATOR ASSEMBLY

# FULL TIME PUMP DRIVEHEAD

## PRODUCT UPDATE

D46-170 & D50-170 driveheads now available  
with 'Full Time Pump'

Testing data has shown enhanced  
operating temperatures up to  
15° C lower temperature

D170 Drivehead with Full Time  
Pump now available on the  
Kenworth OE Production Line

18 Months + of local  
road testing conducted  
in varying applications

Current D170 fitted truck may be  
upgraded with a new D170 drivehead  
featuring a Full Time Pump

## FEATURES & BENEFITS

- ✓ Full Time Lubrication to all moving gears
- ✓ Drivehead longevity
- ✓ Recommended for 'All' 46k and 50k applications
- ✓ Complete GCM coverage
- ✓ Australian designed & built assembly
- ✓ Full Time Pump mounted externally to the drivehead
- ✓ Reduction in drivehead oil temperature, leading to extended oil drain intervals
- ✓ D170 Full Time Pump all specific to Australian delivered new Kenworth trucks
