PREMIUM FLEET

PREMIUM FLEET

For business customers
with 2 to 200 vehicles

Wilson Bolton is serious about looking after local business. We want to make your vehicle fleet management seamless for you, whether that be 2 vehicles or 200 vehicles. We want to assist you by freeing up more time to focus on running your business and less time managing your vehicle fleet. Anything you need done with your vehicles, we'll get it sorted!

Acquiring New Vehicles

- Fleet pricing on new vehicles
- Fleet pricing on finance such as Operating Leases and Chattel Mortgages
- Organise sign writing on vehicles
- Custom fit outs including auto electrical products such as dual battery or electric brakes systems
- 30 day account setup if not already setup
- Use of priority email address for any enquiries with a call back within 2 hours – fleet@wilsonbolton.com.au
- Options on Fleet IQ GPS and Telematics for any vehicle make or model
- Delivery of new vehicles to you at any location
- Quarterly vehicle fleet health check appointments

Servicing and Repairs

- Retail less 10% on all parts and labour*
- We'll organise everything for your vehicle for all makes and models – Tyres, Wheel Alignments, Auto Electric fit outs, Genuine and Non Genuine Accessory fitment, Telematics
- Priority servicing within 2 days
- Free safety check and battery test with every service
- Use of priority email address for any enquiries or bookings with a call back within 2 hours – fleetservice@wilsonbolton.com.au
- Express Drop Off
- Provision of suitable 'fit for purpose' courtesy vehicles**
- Full vehicle clean inside and out
- Pickup and drop off vehicles for servicing (within 10km radius)
- All service work and general repairs 'Done in a day'***

* 'Retail less 10%' excludes vehicles where Capped Price Servicing, Factory Free Servicing Programs or Prepaid Services applies

** 'Fit For Purpose' courtesy vehicle will be supplied where possible but is subject to availability

*** 'Done in a day' is subject to parts availability and excludes large repairs such as, but not limited to, transmissions and engine replacement and rebuild.
