Because reliability means business.

Mercedes-Benz

Trucks you can trust

Mercedes-Benz Service Plans.

The economical and reliable way to manage your vehicles' Total Cost of Ownership.

No matter what you are carrying or what industry you are in, the primary purpose of your truck is to earn money. There are many reasons why a Service Plan from Mercedes-Benz can make this easier for you, such as attractive, predetermined maintenance and repair costs, improved vehicle operational reliability and reduced administration.*

Our Mercedes-Benz Service Plans are flexible, which means that whether you have a fleet of long-haul trucks or a single vehicle doing local runs, we have the right combination of Service Plans to meet your particular requirements.

Advantages at a glance

- Preferential rates on parts and labour
- Maintain operational reliability
- Superbly maintained
- Aid in maintaining mobility
- Nationwide service network
- Reduced administration
- Assist in maintaining the resale value of your vehicle

Payment Options

- One up-front payment
- Monthly contributions
- Bundled into your finance package
- Direct debit

^{*}Terms and conditions apply. Please contact your authorised Mercedes-Benz commercial dealer for a copy of the full terms and conditions including inclusions and exclusions of items covered under each of the Service Plans offered.

Service solutions that meet your own specific requirements.

Mercedes-Benz Service Plans offer you a customised service package at a fixed, transparent, attractive price.

Mercedes-Benz Complete Service Plan.

Mercedes-Benz Trucks | Service Plans 5

Mercedes-Benz Service Plans Have You Covered.

We have the right combination of Service Plans to meet your particular requirements.*

When your vehicle or fleet is covered by either one of our Service Plans, you can rest assured knowing our extensively trained technicians only use approved maintenance methods and the same high quality Mercedes-Benz Genuine Parts your truck was built with.

You can also trust us to help keep your truck performing at its best and where it belongs, on the road. With our Complete Service Plan, we offer timely replacements on selected worn components within your existing servicing intervals to further increase vehicle uptime.

No matter what plan you decide to go with, we offer flexibility. If the usage of your vehicle changes, just inform your authorised Mercedes-Benz dealership, so that the Service Plan scheduling and pricing can be adjusted to your needs.

Preventative Maintenance.

We realise that for trucks to work at their optimum, components need to be replaced at the right time. That's why we include a list of Preventative Maintenance items, to reduce the risk of downtime for your vehicle and business. Contact your local Mercedes-Benz dealer and ask for the latest copy of the Preventative Maintenance flyer or tailored Preventative Maintenance packages.** Plus, there are no limitations. We will repair or replace those key Preventative Maintenance items as many times as your truck requires for the duration of your Complete Service Plan. It's how smart operators stay on the road, longer.

24/7 Roadside Assistance.

In the unlikely event of a breakdown, our 24/7 breakdown Service Hotline will take your call and organise the closest dealership or repairer to come to your aid and get you back on the road quickly.

Complete Service Plan will cover your breakdown service and towing for valid repairs.

Please refer to the inclusions and exclusions list in this booklet.
