SUMMER 2020 | ONE STOP
TO KEEP YOUR
TRUCK MOVING

Our Daimler Truck and Bus network stocks a range of parts for your specific needs. We offer our genuine brands, the number one choice for your Mercedes-Benz, Freightliner or Fuso vehicle. By using these genuine parts, not only do you have the benefit of the manufacturer approved quality, fit and performance, you are also able to return your vehicle to its original factory specification. Our genuine parts are backed by our 12 months/unlimited kms warranty for parts and labour.

We also offer a better alternative to aftermarket parts at a competitive price but with the reassurance of a 12 months parts warranty with our Alliance Truck Parts, TruckParts by Mercedes-Benz and Fuso Value Parts ranges.* The parts warranty not only covers the cost of the replacement part, but also the cost of all other parts directly affected by the failure and any labour costs incurred when the work is performed by an authorised Daimler Truck and Bus dealership.

If fitted by an authorised Daimler Truck and Bus dealership, we'll double the genuine parts warranty to 24 months/unlimited kms.^
