Attachment 4 - Guarantee & Indemnity [and Charging Deed]

In consideration of the Company, at the request of the Guarantor, entering into this Agreement with the Hirer, the Guarantor covenants and agrees with the Company as follows.

1. The Guarantor irrevocably guarantees to the Company the due performance by the Hirer of its obligations under this Agreement (as defined in the Terms and Conditions of Hire) including payment of any amounts payable.
2. The Guarantor separately and independently indemnifies the Company and will at all times keep the Company indemnified from and against all losses and expenses which the Company may suffer or incur in consequence of any breach or non-observance by the Hirer or any Guarantor of any of the terms of this Agreement (including a failure to pay any amounts payable and all enforcement expenses and legal costs on a full indemnity basis) or any part of this Agreement being void or unenforceable.
3. The Guarantor:
 - (a) [grants a security interest in all of its present and after-acquired property and in all of its present and future rights in relation to any personal property (as defined in the PPSA) ("Guarantor Personal Property") to the Company;
 - (b) charges all of its rights, property and undertaking of whatever kind and wherever situated, whether present or future including, without limitation, its capital and any interest in real property (other than any Guarantor Personal Property to which the PPSA applies) to the Company; and
 - (c) agrees to mortgage all of its present and future interests in any real property to the Company, as security for the performance of its obligations under this Agreement including its guarantee of the Hirer's obligation to pay any amounts payable.
4. [The Guarantor must promptly, upon the Company's request, do anything to the satisfaction of the Company (including, but not limited to, signing and producing documents, getting documents completed or signed, obtaining consents and supplying information) to:
 - (a) provide more effective security over the relevant real property or personal property;
 - (b) ensure that any such security interest in favour of the Company:
 - (i) is at all times enforceable, perfected (including, where applicable, by registration) and otherwise effective; and
 - (ii) ranks as a first priority security interest;
 - (c) enable the Company to prepare and register a financing statement or a financing change statement or give any notification in connection with that security interest;
 - (d) enable the Company to exercise any of its rights or perform any of its obligations in connection with any such security interest or under the PPSA; and
 - (e) enable the Company to prepare and register with any authority or body any document the Company deems necessary in connection with any real property.]
5. The Guarantor must pay on demand any stamp duty (including any fines and penalties) assessed in connection with the security interest, charge and mortgage. The costs of registering a financing statement will be paid by the Hirer.

6. The Guarantor acknowledges that the Company, by virtue of the charge and mortgage, has a caveatable interest in any real and leasehold property of the Guarantor which is or becomes subject to the charge and mortgage and may lodge a caveat over that property.
7. The Guarantor remains liable to the Company under clauses 1, 2, 3, 4, and 5 notwithstanding that:
 - (a) the Company has exercised any of its rights under this Agreement;
 - (b) the Hirer is wound up or dissolved; and
 - (c) the guarantee given by the Guarantor may be for any reason unenforceable, either in whole or in part.
8. It is not necessary that the Company provide notice to the Hirer to rectify any breach of this Agreement prior to the Guarantor being required to fulfil its obligations under this Agreement.
9. A demand on the Guarantor is deemed to have been duly made if it is in writing and signed on behalf of the Company by its authorised representative or solicitor and has been given to the Guarantor or left at or posted to the address of the Guarantor or Hirer as shown in the Agreement or such last known address as notified to the Company in writing by the Guarantor.
10. The terms of this Agreement are not affected by any action taken or notice issued in relation to any other securities. The Company is under no obligation to marshal in favour of the Guarantor any security whatsoever held by the Company.
11. This is a continuing guarantee and the liability of the Guarantor under this Agreement is not affected by:
 - (a) any other person giving or not giving a guarantee or indemnity to the Company;
 - (b) the winding up, deregistration, administration, liquidation or insolvency of the Hirer;
 - (c) the granting of time or concession (including a release, waiver, variation, assignment, novation, compounding or relinquishment of rights) to the Hirer by the Company;
 - (d) any delay or laches on the part of the Company; any variation of this Agreement between the Company and the Hirer (whether or not the Guarantor is party to that variation and whether or not such variation increases the Guarantor's liability under the Guarantee) or any assignment or novation of this Agreement;
 - (e) the Company taking, varying, wholly or partially discharging or otherwise dealing with or losing or impairing any security for the Hirer's obligations under this Agreement or a security of that kind being or becoming void, voidable or unenforceable; or
 - (f) anything that the Company may do or omit to do which, but for this provision, might otherwise
 - (g) affect the liability of the Guarantor.
12. As between the Guarantor and the Company the Guarantor is to be deemed to be a primary debtor to the Company independent of the Hirer.
13. To the fullest extent permitted by law the Guarantor waives such of the Guarantor's rights as surety or indemnifier (legal equitable statutory or otherwise) which may at any time be inconsistent with any of the provisions of this Agreement.
14. The covenants and agreements made or given by the Guarantor are not conditional in any way and remain binding notwithstanding that any other person has not executed or duly executed this Agreement.
15. The obligations of the Guarantor under this Agreement continue in force until the Company confirms in writing that it has been released.

16. [The Guarantor acknowledges that:
- (a) it has, prior to signing or execution of this Agreement obtained Independent legal and financial advice and/or had the opportunity to obtain such advice as to its obligations and the true meaning, nature and effect of this Agreement; and
 - (b) the Company is under no obligation to notify the Guarantor of any changes to this Agreement or any dealings with the Hirer (and the Guarantor appoints the Hirer as its agent for the receipt of notices in connection with this Agreement).
17. In the event of liquidation or bankruptcy of the Hirer, the Guarantor will not prove in such liquidation or bankruptcy in competition with the Company.
18. The Hirer and Guarantor agree that:
- (a) if any payment to the Company must be refunded under any statutory provision or otherwise, the liability of the Hirer and Guarantor continues, and the Company will immediately be restored to the rights that the Company would have had against each party if the payment had not been made; and
 - (b) the Guarantor will immediately pay to the Company the amount refunded by the Company so that all amounts payable to the Company under this Agreement have been paid.
19. If the obligation of the Guarantor in respect of any part of the debt is unenforceable, the Guarantor's obligation in respect of the other part of the debt will not be affected by such unenforceability.
20. The Company may apply any amounts received under this Guarantee towards satisfaction of any parts of any amounts payable or any other amounts under this Agreement in whatever manner it sees fit.
