

Imagine that

i20 N.

Let's play.

Let's play.

Welcome to the Hyundai N division. A place where high performance meets serious fun. Where dynamic prowess is an invitation to exhilaration, and one corner is only ever an entrée to the next.

Born in Namyang and honed at the Nürburgring, 'N' is more than an attitude. It's an elite team of world-class engineers assembled to deliver the next phase of Hyundai's evolution — delivering a track-ready¹ family of hatches, sedans and SUVs that are built to thrill, whether you're attacking a tight and twisting hill climb or simply on your daily commute.

Intoxicating performance. Enthralling passion. And undeniable fun – to the 'Nth' degree.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Overseas model shown.

Fun to the power of N.

Pugnacious, potent and perfectly poised, the all-new i20 N packs serious punch into a pint-sized package that's been precision-engineered for fun. Inspired by the two-time World Rally Championship-winning i20 Coupe WRC, it's as alive on the race track¹ as it is on the back roads – and as hungry for the next corner as you are.

Both nimble and lightweight, the i20 N combines true motorsport DNA with N division's proven expertise in real-world performance. With decisive European styling – and available in manual only – the i20 N is built to bring a smile to the face of the true automotive enthusiast.

Playful, powerful, and fundamentally fun, it's your ticket to the N zone.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

It's got game.

That twitch in your ankle. That squeeze of the steering wheel. That twisty road that dips and dives into the distance. In the i20 N, the anticipation is palpable as your excitement builds.

With a next-generation SmartStream G1.6 turbo GDi engine that generates 150kW of power and 275Nm of torque, every outing is an opportunity to indulge your playful side. And with a fighting weight of just 1,210kg – on par with the outrageous i20 Coupe WRC – the i20 N's power-to-weight ratio is one of the best in its class.

Sure-footed and incredibly light on its feet, this is a masterclass in fast-twitch dynamic responsiveness. And with maximum torque stretching all the way from 1,750 to 4,500rpm – and peak power arriving between 5,500 and 6,000rpm – the i20 N is a genuine track¹ car that's built for the everyday.

The perfect balance between speed and size, power and playfulness. It's game on.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Overseas model shown.

Corners are calling.

The i20 N is alive in the moment, in every moment, with a suite of fun-factor functionalities crafted to deliver ultimate engagement all the time. Don't be fooled by its featherweight appearance — this is a true driver's car, commanding, capable, and ready to thrill.

Supreme capability through corners is a hallmark of Hyundai's high-performance N division, and the i20 N is no exception. Its N Corner Carving Differential — a precision engineered Mechanical Limited Slip Differential (M-LSD) that uses torque-sensing Torsenstyle gearing — delivers supreme front-end traction when you're turning in, whipping through, and punching away from corners.

The N Grin Control System allows you to tailor the i20 N's responsiveness to your mood, with six distinct drive modes, including Normal, Eco, Sport, N, Custom 1 and Custom 2. And with performance features such as Rev Matching, Launch Control, Electronic Stability Control and Active Variable Exhaust system, no two drives need ever be the same.

The i20 N's re-tuned and refined chassis, suspension, brakes and steering are a recalibration of what's possible — and a testament to the prowess of the N division.

Sculpted for 'N'-ticipation.

From its distinctive WRC-inspired roof spoiler, and front lip spoiler, to its uniquely patterned radiator grille with bold N logo, the i20 N is nothing if not confident.

Yet its array of ultra-sporty design elements are as functional as they are eye-pleasing. Whether it's increased downforce and stability at speed, the turbocharged performance promise of the front bumper's air intake, or its 10mm lowered ground clearance, each detail makes a dynamic contribution.

With its coloured accents and optional two-tone roof¹, and incorporating multiple cues from Hyundai's rallying heritage, N division has crafted a model that's as charismatic as it is commanding.

Add the sculpted lightweight precision of those bespoke 18" grey matte alloys – and bulging N-branded brake calipers – and the all-new i20 N makes an unmistakable statement. It may not be the biggest kid in the playground, but it's definitely the cheekiest – and one of the hardest to catch.

Welcome to the funhouse.

1. Optional Phantom Black two-tone roof available at an additional cost.

Overseas model shown.

N gear knob

N sports front bucket seats

Alloy sports pedals

Fitted out for fun.

The cabin of the i20 N is unmistakably N – a flawless balance of sportiness and everyday functionality, crafted with the understanding that cruising is always more fun when you're comfortable. Combining tactile luxury, premium materials, and effortless design, this is a hot-hatch interior worthy of lingering appreciation.

From its leather-appointed¹ N steering wheel and gear knob, both ergonomically optimised for racetrack² or road, to its crisply bolstered seats and alloy sports pedals, the all-new i20 N is fitted out for fun.

Dedicated sport seats with an integrated headrest – unique to the i20 N – are both distinctive and designed to deliver optimal support, whether you're bracing laterally or just cruising along the highway.

Crisp, bright, and quicksilver fast, the i20 N's 10.25" digital supervision cluster offers the driver all the information they need at a glance. That includes performance gauges and infographics, a unique graphics scheme for each Drive Mode, and a host of track-relevant² stats. And if you're not feeling the layout on offer today, no problem – a customisable choice of themes means you can toggle to your heart's content.

Wherever today's journey takes you – and however spirited your trip – the i20 N is ready to welcome you.

1. **Leather appointed** may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.
2. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Just press play.

With a suite of leading-edge technology designed around the driver, the i20 N doesn't just deliver outstanding performance. It's also an intuitive and inspired window into the future of everyday motoring. One that brings all the playful functionality of console gaming to track¹ days and shopping runs alike.

For the hardcore corner connoisseur – or even just those keen to experience a fuller taste of what the i20 N can do – there's the N Performance Driving Data System. Set up to monitor and improve the driver's track-work skills, this ingenious feature saves and displays driving data, including information on power, torque and turbo boost. Also including a lap and acceleration timer, it offers even deeper engagement with a car that's as playful as you are.

Centrally mounted, the i20 N's optional central 10.25" multimedia touchscreen display echoes the digital wizardry of the digital instrument cluster, while also offering Apple CarPlay™² & Android™³ Auto connectivity. Ultra-focused outside, extra-futuristic within, the i20 N sets new benchmarks in technological integration – and gives you endless opportunities for fun.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Serious about safety.

The all-new i20 N is small in stature, but big on fun – and even bigger on safety. With a comprehensive array of Hyundai SmartSense™¹ safety technologies, it's ever vigilant, continually alert to protect you when danger is detected.

Intelligent systems such as Forward Collision Avoidance Assist (FCA), Lane Keeping Assist (LKA), and Lane Following Assist (LFA) monitor the environment around you using the windshield-mounted camera. Constantly keeping track of other cars, cyclists and pedestrians, Hyundai SmartSense™¹ reacts instantly if a possible collision is detected. The LKA system even provides steering assistance and braking independently in an emergency.

Other systems contribute in different ways. High Beam Assist (HBA) will automatically disable high beam at night to avoid dazzling oncoming drivers or leading vehicles. Blind-spot Collision Warning (BCW) uses radar sensors to detect vehicles to your side or approaching from behind. Rear Occupant Alert (ROA) monitors the vehicle's rear doors opening and closing so no one is accidentally left behind the vehicle. Every day, on every drive, on every surface, the i20 N is serious about playing. And just as serious about playing it safe.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. All images shown are overseas models. Colours shown are indicative only and may vary due to the printing process.

Forward Collision-avoidance Assist (FCA)

Using the front mounted camera, the Forward Collision-avoidance Assist (FCA) system can detect pedestrians, cyclists and other vehicles ahead of the car, and warn or apply braking in situations where a risk of collision is detected.

Cross-traffic Collision Warning (RCCW)

When reversing in the i20 N Rear Cross-traffic Collision Warning (RCCW) can warn a driver of vehicles crossing its path.

Blind-spot Collision Warning (BCW)

Blind-spot Collision Warning (BCW) will warn the driver of potential vehicles in i20 N's blind spots when indicating to change lanes. BCW projects a warning on the cluster, along with an audible warning. Warning lights are embedded into the side mirrors which illuminate when there is a potential hazard in a blind spot.

Intelligent Speed Limit Assist (ISLA)

Intelligent Speed Limit Assist (ISLA) alerts the driver when the speed limit is exceeded – and, combined with Manual Speed Limiter, can adjust the i20 N's speed automatically.

i20 N.

Engine & transmission

1.6L Petrol SmartStream G1.6 T-GDi 6-Speed Manual

Performance

- Active variable exhaust system – 3 modes (Normal, Sport, Sport+)
- Automatic rev matching - 3 modes (Normal, Sport, Sport+)
- Electronic sound generator
- Idle Stop & Go (ISG)
- Launch control
- N Grin Control System - 6 drive mode settings (Eco, Normal, Sport, N, Custom 1, Custom 2)
- N Performance Driving Data System in multimedia display - with lap / acceleration timer, g-force meter, power / engine temperature / turbocharger boost / brake pressure / throttle gauges
- N Road Sense - Curve sign recognition

1. All Hyundai Genuine accessories are subject to 5 years warranty if purchased at the time of a new Hyundai and fitted by an authorised Hyundai Dealer. Visit www.hyundai.com/au/en/owning/icare/ for full warranty terms and usage recommendations. 2. Load capacity = 75kg evenly distributed over 2 bars. 3. Requires fitment of Hyundai Genuine Roof Racks at an additional cost.

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited-kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price for scheduled service items, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees or surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan³ for up to 10 years, and 24/7 Roadside Support⁴ for 10 years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusion. www.hyundai.com/au/warranty. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
