

Imagine that

# i30 Sedan N.

Let's play.

Overseas model shown.

# Let's play.

Welcome to the Hyundai N division. A place where high performance meets serious fun. Where dynamic prowess is an invitation to exhilaration, and one corner is only ever an entrée to the next.

Born in Namyang and honed at the Nürburgring, 'N' is more than an attitude. It's an elite team of world-class engineers assembled to deliver the next phase of Hyundai's evolution — delivering a track-ready<sup>1</sup> family of hatches, sedans and SUVs that are built to thrill, whether you're attacking a tight and twisting hill climb or simply on your daily commute.

Intoxicating performance. Enthralling passion. And undeniable fun – to the 'Nth' degree.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

# The ultimate formula for fun.

Sensible meets spectacular in the all-new i30 Sedan N, delivering the N division's highest level of performance yet. A street-honed distillation of TCR (Touring Car Racing) DNA, Hyundai's first ever hot sedan brings an engineer's eye to every detail – and a taste of the motorsport experience to every drive.

Combining European styling, red N division details, and a choice between lightning-fast DCT or six-speed manual transmissions, the i30 Sedan N doesn't just look the part, it drives it, too.

Both light and strong, the i30 Sedan N is equal parts playful, potent and perfectly poised. Comfortable every day but relentlessly competitive by nature, it offers a perfect balance between practicality and spine-tingling performance.

# Pc

In the i30 Sedan N, the horizon is always calling. Armed with a precisely tuned 2.0-litre turbo flat power engine, it's a 206kW statement of intent, with an astonishing 392Nm of torque.

Instantly responsive and endlessly eager to please, Hyundai's first ever hot sedan is the epitome of N, with an **overboost** N Grin Shift<sup>1</sup> button on the steering wheel allowing you to power up to an incredible 213kW for a 20-second burst of excitement.

With a thick band of maximum torque on tap from just 2,100 to 4,700rpm, and peak power arriving from 5,500 to 6000rpm, performance is always at your fingertips.

Fun has arrived.

# wer

## 206kW. 392Nm.

1. Available on DCT variants.

# Ready for action.

The i30 Sedan N gets the performance party started with an array of sport-focused functionalities built for the true automotive enthusiast. With customised performance settings, launch control, an insatiable appetite for corners, and bulging N-branded brake calipers, the i30 Sedan N is engineered to turn every drive into your ultimate performance experience.

Armed with N division's legendary **N Corner Carving Differential** – operating via an electronic limited slip differential (E-LSD) – the i30 Sedan N instantly transfers torque to the outside wheel during cornering, bringing it to life through bends. As lateral g-forces increase, it minimises understeer and delivers optimum grip, delivering visceral performance that's as dynamic as it is addictive.

# The N factor.

A trio of high-performance functions, exclusive to the i30 Sedan N with DCT, to the next level. N Power Shift<sup>1</sup> (NPS) delivers the dynamic surge of a manual transmission, while N Grin Shift<sup>1</sup> (NGS) unleashes 20 seconds of maximum turbo boost on demand. And for even greater engagement, the N Track Sense Shift<sup>1</sup> (NTS) activates automatically during spirited driving, ensuring you're always in the optimal gear.

Inspired by WRC rally technology, the i30 Sedan N's chassis debuts N division's new front-end **Integrated Drive Axle (IDA)**. Lighter, more robust, and engineered for extreme lateral g-forces, it's a first for any Hyundai – and a sign of things to come. High-friction 360mm brake discs unlock incredible stopping power, while five customisable drive settings – which you can toggle between instantly from the steering wheel – let you adjust the N Grin Control System on the fly.

The N Grin Control System puts the full breadth of the i30 Sedan N's performance capabilities at your fingertips, with the five available drive modes — Eco, Normal, Sport, N and Custom — adjusting everything from the steering weight and traction settings to the engine mapping and even the exhaust note. The preset drive modes ensure Hyundai's first hot sedan always suits your mood, and the road or track in front of you, but for even more control, the custom setting allows you to adjust every parameter until it's just right for you.

With an aural snap and snarl from the Variable Exhaust Valve System, and the N Sound Equaliser — a customisable virtual engine note taken from Hyundai's motorsport division — the i30 Sedan N is as swift as it is swaggering. Add Rev Matching<sup>2</sup> for optimised downshifts, and track-honed Michelin rubber on bespoke 19" alloys, and you're always ready, ever willing.

Whether you are carving corners<sup>3</sup> on the track or simply powering past a convoy of caravans, in Hyundai's white-hot sedan, every journey is an opportunity for adrenaline.

1. Available in DCT variant only.

2. Available in manual variant only.

3. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

Overseas model shown.

# Sculpted to the Nth degree.

Taking inspiration from the classic curves of a racing driver's helmet, combined with a dynamic lip spoiler and N-exclusive red bumper strip, the all-new i30 Sedan N's aggressive grille and low-slung stance are deliberately provocative.

As functional as they are stylish, each of its ultra-sporty N division design elements make a contribution to the sedan's overall athleticism. From increased downforce and stability at speed, thanks to the N-only wing spoiler and rear diffuser, to its N-bulging branded brake calipers and signature sills, each detail demonstrates the N division's genius for balancing style with substance.

And with seven exterior colours, including the N signature Performance Blue livery – exclusive to Hyundai N models – the choice of just how far you want to stand out from the crowd is yours.

The i30 Sedan N is engineered for action. Welcome to the next level.

# Where the magic happens.

The i30 Sedan N's cockpit is calibrated for fun. Each element of its sport-inspired N-specific cabin is crafted around the driver, pairing everyday functionality with track-ready<sup>1</sup> details to create the N division's ultimate all-rounder.

The i30 Sedan N's premium materials and superb craftsmanship are proof that leading-edge performance needn't compromise comfort. Because with a car this entertaining, you'll want to spend a lot of time behind the wheel.

Lowered sports bucket seats with reinforced bolsters provide outstanding lateral support during sharp cornering, encouraging optimal driving posture, even during aggressive track work<sup>1</sup>. N-branded elements, including the leather-appointed<sup>2</sup> gear knob and steering wheel, with customisable function buttons, and alloy sports pedals, reaffirm the model's race-readiness.

And with a black interior that features Performance Blue accents and an all-black head lining, there's no mistaking the i30 Sedan N's intent. Inside and out, from raceway<sup>1</sup> to driveway, this is a hot sedan with understated cool.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

2. Leather appointed may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

# Master of control.

The array of cutting-edge tech in the i30 Sedan N does more than deliver intuitive infotainment. Both immersive and inspired, it's a demonstration of tomorrow's driver-focused technology today, designed to take your skills to the next level.

Every trip in the i30 Sedan N is as much a chance to play as it is to embrace performance – unlocking maximum driving joy whether you're cruising at highway speeds, cornering at multiple Gs on the race track<sup>1</sup>, or just chilling on your daily commute.

For bona fide track<sup>1</sup> enthusiasts there's the **Performance Driving Data System**. Equipped to monitor and improve the driver's track<sup>1</sup> skills, this ingenious feature saves and displays driving data, including information on power, torque and turbo boost. Also including a lap and acceleration timer, the Performance Driving Data System offers even deeper engagement with a sedan that's as competitive as you want it to be. It's like having a race engineer waiting in pit lane every time you leave the track<sup>1</sup>.

1. Warranty covers track use provided the vehicle is operated in accordance with the Owner's Manual and Service Warranty Passport. Exclusions apply including racing, rallying, competition or speed/endurance trials and defects caused by or attributable to improper use of vehicle. Refer to full warranty T&Cs for details and exclusions.

# High-Tech Flex.

Bright, crystal-clear and quicksilver-fast, the i30 Sedan N's 10.25" digital supervision cluster offers all the information you need at a glance. That includes performance gauges and infographics, a unique graphics scheme for each Drive Mode, and a host of track-relevant stats. And if you're not feeling the display on offer in the moment, no problem – a customisable choice of layout themes means you can toggle to your heart's content.

The i30 Sedan N's central 10.25" multimedia touchscreen offers dedicated N content as well as Apple CarPlay™<sup>1</sup> & Android™<sup>2</sup> Auto connectivity, while its wireless smartphone charging<sup>3</sup> means the end of loose cables.

A luxurious BOSE premium sound system, smart key with push-button start, and heated and ventilated front seats complete a suite of prestige features that put the i30 Sedan N at the forefront of N division design.

The future is here. And it's as clever as it is exciting.

1. Apple CarPlay™ is a trademark of Apple Inc., registered in the U.S. and other countries. Requires compatible device and connectivity.

2. Android™ Auto is a trademark of Google LLC. Requires compatible device and connectivity.

3. Wireless smartphone charging requires a Qi-enabled smartphone or adapter to operate.

# Play it safe.

A hot sedan that's perpetually ready to go demands safety systems that are equally alert. That's why the all-new i30 Sedan N is kitted out with a full suite of **Hyundai SmartSense™<sup>1</sup>** safety technologies, ever vigilant to safeguard you if danger is detected.

The i30 Sedan N constantly monitors the area surrounding it in 360 degrees using both camera and radar feedback, whether you're travelling at motorway speeds or simply reversing into a tight spot.

Systems such as Blind-Spot Collision-avoidance Assist-Rear (BCA-R), Forward Collision Avoidance Assist (FCA), and Traffic Collision-Avoidance Assist (RCCA) keep track of other cars, and even cyclists and pedestrians, reacting instantly if a possible collision is detected<sup>2</sup> — and in certain circumstances even provide steering assistance and independent braking in an emergency.

Overseas model shown.

Complementary systems such as Intelligent Speed Limit Assist (ISLA), Lane Following Assist (LFA) and Lane Keeping Assist (LKA) can be toggled on and off to actively provide a helping hand, even on routine journeys. Regardless of why you're driving, or how deeply engaged you are, Hyundai SmartSense™<sup>1</sup> has your back.

Other systems help to keep you and your passengers safe, even when the engine has been turned off.

Rear Occupant Alert (ROA), for example, monitors the i30 Sedan N's rear doors to help prevent anybody - including small children - from being accidentally left behind in the car. And then there's Safe Exit Warning, which sounds an alarm if a rear passenger is about to open their door in front of a detected approaching vehicle.

The all-new i30 Sedan N is naturally competitive. But safety always comes first.

1. **Hyundai SmartSense™** is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. All images shown are overseas models. Colours shown are indicative only and may vary due to the printing process.

2. Collision detection safety systems may not be activated in all circumstances.

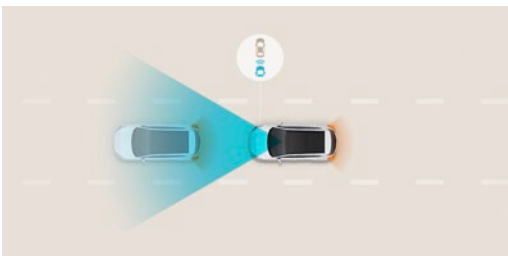

Hyundai SmartSense™<sup>1</sup>

Overseas model shown.

**Safe Exit Assist (SEA)**

The i30 Sedan N's senses are always looking out for you. If it detects a vehicle approaching and a road-facing rear passenger opens their door, it will sound a warning chime reminding them to be careful and a warning sign will also pop up in the cluster.

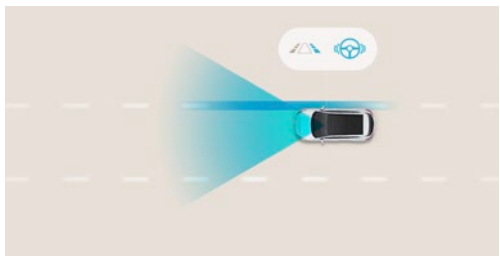

**Forward Collision Avoidance Assist (FCA)**

This safety system uses a windshield-mounted camera to detect and monitor vehicles and pedestrians in front of the car. If the system thinks a collision is likely, it sounds a warning chime and displays a visual alert. It can also automatically apply the brakes if it detects a chance of a collision.

**Blind-Spot Collision-Avoidance Assist-Rear (BCA-R)**

Uses rear radar sensors to help you avoid collisions and stay safe on the road. It continually scans your blind spots and will alert you if it detects any danger. If the driver moves towards a detected vehicle and potentially into a collision, BCA-R will first flash a light on the relevant rear mirror, then sound an alarm and may apply the brakes to steer you away from danger. BCA-R also includes parallel exit, reducing the chance of an accident while pulling out of parking spots by automatically applying the brakes if it spots another vehicle approaching.

**Lane Keeping Assist Line/Road-Edge (LKA-L/R)**

This safety feature uses the windshield-mounted camera to detect lane markings and road edges to monitor the i30 Sedan N's position in the lane. Should the vehicle stray from the intended lane without indicators being activated, an audible and visual warning will be sounded, and where required, steering intervention will be provided to help keep a veering vehicle in the centre of its lane.

# i30 Sedan N.

## Engine & transmission

2.0L Petrol T-GDI 8-Speed N DCT

2.0L Petrol T-GDI 6-Speed Manual

### Performance

- Active Sound Design - user configurable in-cabin engine sound generator with N Sound Equaliser for Custom Mode
- Active variable exhaust system - 3 modes (Normal, Sport, Sport+)
- Automatic rev matching<sup>1</sup> - 3 modes (Normal, Sport, Sport+)
- Electronic Controlled Suspension (ECS) - 3 modes (Normal, Sport, Sport+)
- Launch control
- N DCT features - N Grin Shift<sup>1</sup> (NGS), N Power Shift<sup>1</sup> (NPS), N Track Sense<sup>1</sup> (NTS), Creep start<sup>1</sup>
- N Grin Control System - 6 Drive Mode settings (Eco, Normal, Sport, N, N Custom 1 and N Custom 2)
- N Performance Driving Data System in multimedia display - customisable lap / acceleration timer, g-force meter, power / torque / turbocharger boost gauges
- N Track Maps - Automatic GPS enabled lap timer on select circuits
- Paddle Shifters<sup>1</sup>
- Rear stiffness bar - chassis brace in luggage area

### N Exclusive Exterior Styling

- 19" alloy wheels
- Michelin Pilot Sport 4S HN Tyres
- N front bumper with N grille insert
- N front lip spoiler with painted insert
- Gloss black side mirrors
- N side skirts with embossed N logo and coloured inserts
- Dual exhaust tips - chrome
- N rear diffuser with painted insert and integrated triangular fog lamp
- N rear spoiler in gloss black - boot mounted

### N Exclusive Interior Styling

- N sports front bucket seats
- Black headlining
- Coloured stitching & inserts - Performance Blue (seats, steering wheel, gear knob, and gearshift boot)
- N Dark Metal painted inserts (door handles and steering wheel)
- Materials
- Alloy sports pedals
- Leather appointed<sup>2</sup> N sports steering wheel and gear knob

### Design & Technology

- 10.25" TFT colour LCD N Supervision cluster with trip computer, oil temperature / torque / turbo boost gauges, g-force meter, lap timer, & digital speedometer.
- 10.25" Touchscreen with Apple CarPlay™<sup>3</sup> & Android™ Auto<sup>4</sup> compatibility
- Wireless smartphone charging<sup>5</sup>
- Satellite Navigation
- Bluetooth®<sup>6</sup> phone connectivity
- BOSE® premium audio system
- Smart key with push button start
- LED headlights & LED combination taillights
- LED Daytime Running Lights (DRL)
- Electro-chromatic Mirror (ECM) - auto-dimming
- Rain sensing wipers
- Air ventilated and heated front seats.

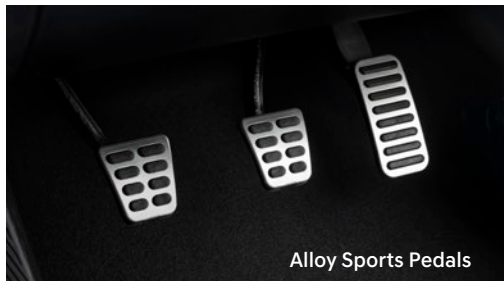

### Safety

- Hyundai SmartSense™<sup>7</sup> as standard;
  - Blind-Spot Collision-Avoidance Assist - Rear (BCA-R)
  - Driver Attention Warning (DAW)
  - Forward Collision-Avoidance Assist (FCA) - City/Urban/Pedestrian (camera type)
  - High Beam Assist (HBA)

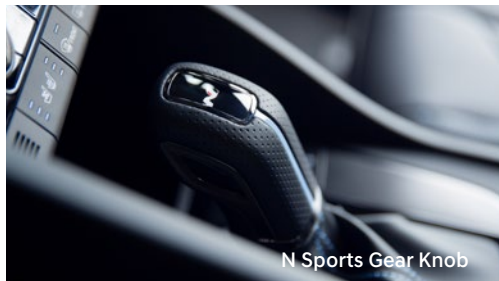

- Lane Following Assist (LFA)
- Lane Keeping Assist - Line/Road-edge (LKA-L/R)
- Leading Vehicle Departure Alert (LVDA)
- Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
- Rear Occupant Alert (ROA)
- Safe Exit Warning (SEW)
- Emergency Stop Signal (ESS)
- Intelligent Speed Limit Assist (ISLA) - Speed sign reading function with warning and MSLA guide
- Manual Speed Limit Assist (MSLA)
- Parking Distance Warning - Front (PDW-F) - 4 sensors, with guidance display
- Parking Distance Warning - Reverse (PDW-R) - 4 sensors, with guidance display
- Rear View Monitor with Parking Guidance (RVM w/ PG)
- Tyre Pressure Monitoring System (TPMS) - individual tyre pressure readout

### Optional

- Glass sunroof with manual blind, tilt and slide panel.

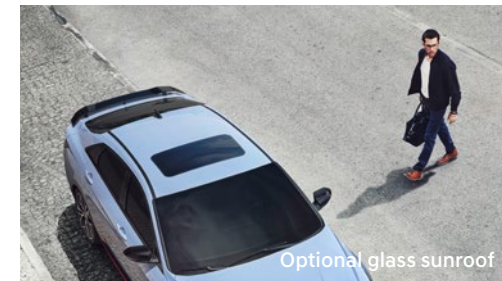

Alloy Sports Pedals

N Sports Gear Knob

BOSE® premium audio system

Optional glass sunroof

# Style, your way.

Your choice of colour for your all-new i30 Sedan N is a personal statement. It's available in seven exterior hues including the N signature Performance Blue livery, which is exclusive to Hyundai N models.

**Polar White.**

Maximum loading of the roof pod must not exceed the maximum load capacity of your roof racks. Please refer to your specific roof racks for maximum load capacity. 5. Requires fitment of Hyundai Genuine Roof Racks at an additional cost.

# Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited-kilometre warranty<sup>1</sup> means you’ve got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price for scheduled service items, before pulling into the service centre. That’s the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees or surprises.

Since every new Hyundai is built to the highest standards, we’ve got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan<sup>3</sup> for up to 10 years, and 24/7 Roadside Support<sup>4</sup> for 10 years when you service with us.

Lifetime  
Service  
Plan

5 year  
unlimited km  
warranty

Roadside  
Support  
Plan

Sat Nav  
Update  
Plan

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusion. [www.hyundai.com/au/warranty](http://www.hyundai.com/au/warranty). 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [hyundai.com/au/en](http://hyundai.com/au/en), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
