

Imagine that

# STARIA-LOAD.

# Move your business forward.

Imagine the perfect office on wheels. A spacious and sophisticated work space that combines intuitive technology, future-focused style, and incredible safety.

You're imagining the Hyundai Staria-Load — the ultimate commercial van, and a sleek, mobile workplace that is every bit as versatile and capable as you are.

When your trade means time spent on the road, you need a van that's flexible, reliable, and ready to work. The Staria-Load delivers when it counts, with your choice of a two-seat van or five-seat crew van, each providing generous load space and outstanding access via the Liftback tailgate or the optional Twin Swing rear doors.

Space to work. Space to move. Space to grow your business. Endlessly versatile, with proven performance and generous standard features, Staria-Load is built to drive your business forward today, tomorrow, and into the future.

Imagine that.

# Built to move.

The Staria-Load offers a combination of futuristic design and incredible functionality. With its sweeping silhouette, body-coloured grille, and heated and power-folding wing mirrors, it redefines style in a commercial van.

Built from the ground-up upon the same light and rigid platform as the Hyundai Santa Fe, and featuring a new front-wheel-drive layout, the Staria-Load is a true best-of-both-worlds' solution — comfortable and car-like on the road, capable and confident when put to work.

Flexible features, like the dual sliding doors with improved access through wide openings ensure the Staria-Load is ready for anything, and with a cargo bed up to 2,607 mm<sup>1</sup> long, it's the ideal partner for tradespersons and pro drivers who demand maximum efficiency and practicality.

With a vast amount of cargo space, easy access from almost any angle, and Liftback or Twin Swing rear door options, the Staria-Load is always ready for more cargo. And with seven airbags, including a best-in-class front centre airbag, and a full suite of Hyundai SmartSense™<sup>2</sup> safety features, it protects you and your crew – wherever the job takes you.

Generously equipped in every trim, the Staria-Load is ready to be the most reliable, confident and hardworking member of your crew. Whether you're a sole trader or part of a fleet, its convenience and ease-of-use features can take your business to the next level.

There are work vehicles, and then there's the Hyundai Staria-Load.

**STARIA-LOAD.**

# Space to grow your business.

There's nothing more important in a work van than having the room you need to grow. Spacious, adaptable and strong, the Staria-Load is the perfect tool for any job.

The Staria-Load's cargo area is both larger and more usable than in the iLoad it replaces, having grown in all dimensions. Capable of carrying three stacked Euro pallets, the two-seat model boasts a cargo capacity of 4,935L<sup>1</sup>, with the five-seater van able to accommodate a single Euro pallet or 2,340L<sup>1</sup>.

Featuring a practical lowered floor for easier loading and unloading, 96mm more headroom for taller items, and multiple mounting options for accessories, the Staria-Load is prepared for every journey.

Generous space is nothing without ease-of-access, and the Staria-Load is as clever as it is cavernous. With a Liftback rear door as standard, Twin Swing rear doors can also be optioned, opening wide to either the left or right.

Combined with the dual sliding doors with openings big enough to make loading Euro standard pallets via forklift a breeze, felt board trim in key areas to protect your interior walls, and eight interior tie-down points, the storage possibilities are as endless as your imagination.

Get in. Get out. Get the job done.

Increased width of dual sliding doors for easy forklift access

# Convenience counts.

The Staria-Load is a workplace on wheels that offers all the connectivity –and convenience – of a modern office.

When professional success means early mornings and long days, you spend a lot of time in your van, and not just behind the wheel. The Staria-Load is here to help, with a range of next-level technology and convenience features designed to make your work life easier.

There's the futuristic and streamlined cabin, highlighted in the satisfying feel of the leather-wrapped<sup>1</sup> steering wheel and gear knob. Steering-wheel mounted controls allow you to toggle audio, phone, cruise control and the trip computer settings without removing your hands, while Apple CarPlay™<sup>2</sup> and Android™ Auto<sup>3</sup> connectivity provide intuitive access to your smartphone and its apps. The Bluetooth® audio connection<sup>4</sup> also ensures you're always on-call, even when you're on the road.

Sitting below the high-resolution digital 8" multimedia screen, a wireless charging pad<sup>5</sup> and two front USB ports (with another two in the back in the crew van) mean the power is always in your hands. A second 4.2" digital display sits between the dials on the instrument cluster, making sure all relevant information is in the driver's eyeline at all times.

Of course, the Staria-Load's advanced driver tech is about much more than infotainment. For example, there's the electronic parking brake (EPB) with auto hold function – unseen elsewhere in the segment – that lets you apply the handbrake at the touch of a button.

Mobile office. Mobile workshop. Mobile technology. In the Staria-Load, you're the boss.

**STARIA-LOAD.**

# Loads of safety.

With a class-leading array of seven airbags — including a class-leading front centre airbag — and Hyundai's comprehensive suite of SmartSense™<sup>1</sup> technologies, the Staria-Load is engineered with safety front of mind. Regardless of conditions, it's constantly on the lookout for danger, ever vigilant to safeguard you – and your cargo.

Systems such as Blind-Spot Collision-Avoidance Assist-Rear (BCA-R), Forward Collision-Avoidance Assist (FCA), and Lane Keeping Assist (LKA) use a combination of sensors to monitor the environment around you. When turning across traffic, Forward Collision-Avoidance Assist-Junction Turning (FCA-JT) uses a combination of camera and radar to track oncoming vehicles and will intervene in certain circumstances. If the system detects a risk, it can react instantly if required, such as alerting you to vehicles out of your view while changing lanes or crossing lines and may even apply the brakes independently where the system anticipates a collision.

Other systems go even further to help. With Smart Cruise Control (SCC) with Stop & Go function, the Staria-Load can maintain the distance from the vehicle in front of you on the open road. The van can automatically maintain a safe distance from that vehicle, up to a maximum speed pre-set by you between 0km/h and 180km/h.

And then there's parking. With 360° Surround View Monitor<sup>2</sup>, the driver can select from a range of high-resolution 360-degree views – including a top-down perspective – to make negotiating tight spaces a breeze. Whether you're trying get as close as possible to unload, picking up and dropping off in high-traffic zones, or just reverse parking with an audience, the Staria-Load makes you look good.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.  
2. Available on the Liftback variant only.

# The power to impress.

With a commanding ride and all the power you need, the Staria-Load delivers performance, flexibility and reliability every day. And with four distinct drive modes to select – Comfort, Eco, Sport and Smart – the Staria-Load is as adaptable as you are.

Efficient and dependable, its 2.2L Diesel engine delivers a generous 430Nm of torque from just 1500RPM, giving you total confidence when your livelihood depends on it. Generous 2.5-tonne braked / 750kg unbraked towing capacity makes working with a trailer as easy as towing a caravan on the weekend, while a smooth eight-speed automatic transmission helps deliver a combined economy rate of just 7.0L/100km<sup>1</sup>. And with its passenger car platform and FWD drivetrain offering car-like performance – reinforced by a solid rear axle and leaf spring rear suspension designed for carrying heavy loads reliably – the Staria-Load is as compelling as it is capable.

Highway or across the city, fully loaded or just heading out, with two seats or five, the Staria- Load is the consummate professional.

# STARIA-LOAD. Van

## Engine and transmission

2.2L CRDi (Diesel) 2WD – 8-speed automatic

## Key specifications:

### Safety

- 7 airbags (including front centre airbag)
- Electronic Stability Control (ESC) including:
  - Anti-lock Braking System (ABS)
  - Brake Assist System (BAS)
  - Electronic Brakeforce Distribution (EBD)
  - Hill-start Assist Control (HAC)
  - Multi-Collision Braking (MCB)
  - Traction Control System (TCS)
  - Vehicle Stability Management (VSM)
- Parking Distance Warning-Front (PDW-F)
  - 4 sensors, with guidance display
- Parking Distance Warning-Reverse (PDW-R)
  - 4 sensors, with guidance display
- Rear view camera with dynamic guidelines
- Emergency Stop Signal (ESS)
- Tyre Pressure Monitoring System (TPMS)
  - individual type pressure readout
- Hyundai SmartSense™<sup>1</sup> including:
  - Blind-Spot Collision-Avoidance Assist - Rear (BCA-R)
  - Driver Attention Warning (DAW)
  - Forward Collision-Avoidance Assist (FCA)
    - camera and radar type, including:
      - i) Car/Pedestrian/Cyclist detection
      - ii) City/Urban/Interurban operational speeds
      - iii) Junction Turning (FCA-JT) functionality
    - Haptic warning function
    - Intelligent Speed Limit Assist (ISLA)

- Lane Following Assist (LFA)
- Lane Keeping Assist – Line/Road-Edge (LKA-L/R)
- Leading Vehicle Departure Alert (LVDA)
- Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
- Rear View Monitor (RVM)
- Safe Exit Warning (SEW)
- Smart Cruise Control (SCC) with Stop & Go
- Surround View Monitor (SVM) – Liftback only

### Interior and technology

- 2-seater van
- Black cloth seats
- Driver's seat – height adjustable
- Leather-appointed<sup>2</sup> steering wheel
- Leather-appointed<sup>2</sup> shift knob
- Manual air conditioning system
- Dashboard storage tray
- Front roof trays
- Steering wheel mounted controls audio, phone, cruise control & trip computer
- Tilt & telescopic steering column
- Drive mode: Comfort, Eco, Sport & Smart
- Keyless entry – with remote window open/close
- 4.2" supervision cluster
- Wireless Apple CarPlay™<sup>3</sup> & Android™<sup>4</sup> Auto compatibility
- Multi-Bluetooth®<sup>5</sup> connection

- 8" touchscreen display
- Qi wireless smartphone charger<sup>6</sup>
- Electronic Parking Brake (EPB) with auto hold function
- 1x multimedia USB port
- 1x charging port
- AM/FM Radio
- Audio system – 2 speakers
- Quiet Mode – Speaker volume limitation for a quieter cabin

### Exterior and technology

- 17" steel wheels with full size spare
- Dual sliding doors
- Liftback rear door or Twin Swing rear doors with wide opening capability
- Heated and power folding mirrors with auto fold function
- Automatic dusk sensing headlamps
- Rear combination lamps
- Front garnish strip – black
- Body coloured front grille with front parking sensors
- Auto dusk sensing headlights

### Towing capacity

- 2,500kg (braked)
- 750kg (unbraked)

# Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year or 160,000 kilometre warranty<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price for scheduled service items, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan<sup>3</sup>, and a 24/7 Roadside Support<sup>4</sup> for up to ten years when you service with us.

iCare

**1. 5 Year Warranty/160,000km:** Commercial application means that the vehicle has at any time been used or is currently used for a commercial purpose, and such uses include without limitation; taxi or hire vehicle, rental vehicle, courier vehicle, driving school vehicle, security vehicle, tour or bus operator and emergency services vehicle. Vehicles used at any time for “commercial application”, as defined in the vehicle warranty policy, are excluded. A Commercial Van is provided with a 5 year/160,000km warranty (whichever occurs first) regardless of its usage. Terms and conditions apply. For more information visit : [www.hyundai.com/au/warranty](http://www.hyundai.com/au/warranty). **2. Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [www.hyundai.com/au/en](http://www.hyundai.com/au/en), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. **3. Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. **4. Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).
