ALL NEW

MG4 ELECTRIC

MGMOTOR.COM.AU

PERFORMANCE RETOLD

Embark on a transformative journey across Australia. Here at MG Motor, we are committed to leading the electrification of our local roads with unwavering dedication, and a promise not to compromise on vehicle performance. With the introduction of the all-new MG4 Electric Vehicle, we set a new benchmark for zero-emissions driving, empowering Australians to drive towards a brighter tomorrow.

Take Charge.

Our dedication to the electric revolution runs within our vision. We believe that electric vehicles should not only be eco-conscious but offer the exhilarating feeling of performance with every drive. Here at MG Motor Australia, our company ethos, **Take Charge**, epitomises our strong dedication of the company and empowering our drivers as we lead the charge in the movement towards our electrification vision. As our journey unravels, we are committed to inclusivity and allowing the opportunity for all Australians to take charge of their own electric milestones.

The MG4 embodies this philosophy, seamlessly blending cutting-edge technology with a powerful electric drivetrain. Its responsive acceleration, dynamic handling, and impressive horsepower redefine what it means to drive an electric vehicle.

Beyond its impressive performance, the MG4 stands as a zero-emissions vehicle, with future-forward features that not only allow for an eco-drive, but in turn improve the way you take the wheel.

Become a part of the MG community as we pave the way for a cleaner, brighter, and more inspiring future on Australian roads. Together, we can accelerate the electrification movement, bringing zero-emissions driving closer to all.

In Perfect Form.

Merging European artistry with engineering precision, our designers and engineers have pushed the boundaries of innovation, delivering a vehicle that redefines driving with exceptional style. Its exterior exudes modernity, featuring hi-tech LED headlights and indicator lights, paired with an aerodynamic U-shaped bonnet that adds a touch of refinement to the powerful front face. The Active Grille System[^] regulating airflow into the front compartment to help you achieve optimal battery range.

The A-Pillar is moved forward to maximise the front of the cockpit, whilst bringing a smoother roofline, and the Side Protection Panel has a curved design that outlines the agile side profile. A low stance combined with world class design brings a 2705mm long wheelbase, short front and rear overhang.

The MG4 Electric commands attention on the road, complemented by a two-tone black roof* and Twin Aero Rear Spoiler* that gracefully curve towards the rear, epitomising aerodynamic power. The multi-layered and intricately detailed rear-end design with high-mounted brake lights, a double-width rear spoiler, and a rear taillight cluster adds a touch of sophistication from every angle. The structured three-dimensional shape, subtly combined with the MG logo creates an innovative image which is unique to the MG4 Electric.

Go Forward.

Designed for your lifestyle on a new dedicated EV platform, the MG4 redefines space being MG's first vehicle built on the Modular Scalable Platform (MSP), allowing room for more.

The interior design echoes the exterior, equipped with gun metal grey painted accessories and trim. Impeccable craftsmanship and attention to detail ensure a refined and opulent interior.

Sink into plush, ergonomic seating with added 3-level heating temperature adjustment[^] while revelling in a serene cabin ambiance that's designed to enhance every moment of your journey. And with 1177[#] litres of storage when the back seats are folded, there's plenty of space for all your adventures.

Prepare to be immersed in a world of advanced connectivity and intelligent convenience. The cabin of the MG4 Electric exudes innovation and functionality, incorporating a minimalist and user-friendly approach to integrated design features that enhances the significant sense of spaciousness in a hatchback.

The floating design optimises the front cabin space, while the integrated functions area and hollowed console module keep practical drive features in direct reach, housing the Wireless Charger[^], Hi-Tech Shift Selector, and Electric Parking Brake.

Across the dashboard, the integrated design seamlessly blends advanced technology of the 10.25-inch infotainment system and 7" Instrument Cluster, further contributing to the feeling of ample room within. The unique intelligent steering wheel design has added heating[^] for further comfort.

Out of the car, the MG iSmart app takes convenience to a new level, giving you control of various functions of your MG4 right from your smartphone.

[^]Available on MG4 Essence 64, and Long Range 77 variants only

^{^^}Steering Wheel Heating available on MG4 Essence 64, and Long Range 77 variants only

[#]1177 Litres of storage in MG4 Excite 51 and Excite 64 variants. 1165 Litres of storage in the MG4 Essence 64 and Long Range 77 variants.

Performance Retold.

At the heart of the MG4 lies its remarkable electric drivetrain, showcasing suite of impressive ranges across the variants, with an option of up to 530 kilometres^{~‡} on a single charge. The MG4 boasts a powerful motor with offers up to 180kW[~] and delivers a maximum torque of up to 350NM[~], providing exhilarating acceleration and a swift 0-100km/h time with a minimum of just 6.5 seconds[~]. The advanced CATL[®] Battery Technology ensures efficient energy storage and quicker charging times, making it convenient for daily use.

Featuring advanced MacPherson Strut Suspension at the front and a sophisticated Five-Multi-Link Rear Suspension at the back, the MG4 delivers precise steering, enhanced ride comfort, nimble handling, improved traction, and a refined driving experience.

The Rear-Wheel-Drive configuration, 50:50 weight distribution, and lower centre of gravity contribute to agile handling and a comfortable, stable ride. The MG4's design is not just about performance; it's about driving efficiencies to maximise on driving range and smooth driving. With Aero-dynamic alloy wheel covers, effortlessly slice through the air, enhancing energy efficiency and extending your range. Go further by personalising your drive with 4 regenerative brake modes with additional one pedal driving to optimise efficiency and enhance the MG4 range.

The MG4 embraces innovation with its one-pedal driving system, allowing the driver to accelerate, decelerate, and come to a complete stop by simply controlling the accelerator pedal. This regenerative braking system not only reduces wear on the conventional brakes but also recaptures energy back to the battery, improving overall efficiency.

Safety and stability are paramount in the MG4, equipped with the comprehensive stability system (ESP) and a precise steering setup with Dual Pinion EPS (DP-EPS). Continental[®] integrated braking system ensures smooth and precise braking, making every drive confident and secure. The specialist dynamic chassis tune and five-link rear independent suspension deliver a smooth and stable driving experience, even during cornering.

Tailor your driving experience with the MG4's five Driving Modes: Eco, Normal, Sport, Snow, and Custom. Whether you crave a smooth and efficient ride or an adrenaline pumping journey, the MG4 has you covered.

[~] Available on MG4 Long Range 77 variant only.

[‡] Range based on Worldwide Harmonised Light-Duty Vehicles Test Procedure (WLTP) static laboratory combined average city and highway cycle test, which measures, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. Actual driving results will vary depending on various factors such as driving style, type of journey, environment, battery age and condition, use of vehicle features, operating, and climate conditions.

Advanced Safety, Enhanced Driving.

At MG, innovation runs deep. Your safety is top of mind.

With a 5-star ANCAP rating* carried from a 5-star Euro-NCAP rating, the MG4 sets the new standard in electric vehicle safety.

MG Pilot, with 9 Active Driver Safety features in the Excite 51 and Excite 64, plus 5 more in the Essence 64 and Long Range 77, constantly senses your surroundings, proactively identifying and responding to potential hazards. Experience a new level of safety intelligence, ensuring peace of mind for you and your passengers.

Forward Collision Warning detects vehicles, bicycles, and pedestrians in urban areas, activating Automatic Emergency Braking to prevent collisions through alerts and automatic braking.

Lane Departure Warning uses a front smart camera to detect and correct lane deviations, enhancing driving safety.

Embrace the open road with Adaptive Cruise Control, and stay informed with the 7" Instrument Cluster. Your safety and driving pleasure are our top priorities.

INTELLIGENT SPEED LIMIT ASSIST

Actively detects speed limit signs and alerts you to your current vehicle speed.

360 DEGREE CAMERA

Provides you with a 360° field of view around the vehicle when reversing. *Available on Essence only.

LANE ASSIST SYSTEM

Alerts the driver when the MG4 is getting too close to the lane edge.

TRAFFIC JAM ASSIST

Detects heavy traffic and automatically follows the vehicle in front, controlling acceleration, braking and steering within the lane.

ADAPTIVE CRUISE CONTROL

Detects the front vehicle position and keeps a safe distance between your MG4 and the car in front.

DOOR OPENING WARNING

Warns you of danger when opening vehicle doors.

REAR CROSS TRAFFIC ALERT

Alerts you of approaching vehicles and pedestrians when reversing out of parking spaces.

ACTIVE EMERGENCY BRAKING

Senses impending collisions and applies the brakes to help avoid or lessen impact.

BLIND SPOT DETECTION

Registers objects in hard-to-see areas to help you change lanes safely.

We're for the now. The convenience of home charging.

Complement your new MG4 with the ultimate home or office charging solution, the MG Aurora Charge Hub.

Developed in collaboration with one of the largest EV infrastructure companies in the world, the Charge Hub charger range not only complements MG's own range of electric vehicles, it stands ready to enable a connected world.

With a built-in RFID reader, ethernet and internet connectivity, it's also completely future-proof for home and business use.

The compact, stylish wall charger is designed to work with all vehicles which use Type-2 charging, is available in 7kW single-phase and 11kW three-phase output types, as well as in three vibrant colours.

CHARGEHUB 7/11 SPECIFICATIONS.

GENERAL	Model Name	ChargeHub 7	ChargeHub 11
POWER INPUT	Input Rating	230Vac±10%, 45-65Hz, single-phase	400Vac±10%, 45-65Hz, three-phase
POWER OUTPUT	Output Power	7kW max.	11kW max.
	Output Current	32A max.	16A max.
COMMUNICATION	Network Interface	4G, Ethernet, Wi-Fi, RS485	
MECHANICAL	Dimension (WxHxD)	282 x 409 x 148 mm	
	Weight	Approx. 4.5kg	Approx. 5.6kg
	Connection	Tethered Type 2 (5m Cable)	
	Installation	Wall-mounted, Column-mounted	
REGULATION	Certificate / Compliance		

Find out more about the Charge Hub charger family at mgmotor.com.au, or visit your nearest MG dealer.

Electric Power Reinforced.

Fully electric and built on our expertise in electric vehicle manufacturing and battery technology, the MG4 embodies a perfect fusion of stunning design and exceptional technology.

Embracing the innovative “One-Pack” battery design, the MG4 Electric features a pioneering horizontal cell structure, resulting in an ultra-thin 110mm power battery that optimizes cabin space.

With an advanced Battery Management System (BMS), the battery efficiently monitors and adjusts charging parameters in real-time, ensuring rapid and stable charging with industry-leading speed. With both high-power AC and DC charging capabilities, the MG4 Electric guarantees an efficient and reliable charging experience, whether it's at home or on the go.

Use your MG4 as a portable battery pack with the Vehicle to Load (V2L) function, straight from the charge port. Conveniently power your electronics on the go and see real time display of discharge information across the digital screen.

Formulate Yours.

EXCITE 51

- EV Range 350km[‡]
- 0~100km/h in 7.7s
- Rear Wheel Drive (2WD)
- LED DRL, Headlights & Taillights
- 7-inch Digital Cluster
- 10.25-inch Touch Screen
- iSMART Lite[#]
- Android Auto & Apple CarPlay
- Electronic Parking Brake
- Auto Start/Stop & Keyless Entry
- Electric Outside Mirror with Heating Function
- Reverse Camera
- Driver's 6-Way Manual Adjustable Seat
- 60/40 Split-Folding Seats
- MG Pilot – 9 safety features
- Vehicle to Load Functionality
- 500KG Towing Capability
- 17" Alloy Wheels with Aero Cover

EXCITE 64

- In Addition:**
- EV Range 450km[‡]
 - 0~100km/h in 7.2s
 - Active Intake Grille Shutter

ESSENCE 64

- In Addition:**
- EV Range 435km[‡]
 - 0~100km/h in 7.2s
 - "Twin-Aero" Rear Spoiler
 - 6 Speakers
 - iSMART On-line Service[#]
 - Front Seats Heating
 - Steering Wheel Heating
 - Wireless Smart Phone Charging
 - Electric Folding Mirrors
 - PU Leather & Fabric Seat
 - Driver's 6-Way Electrically Adjustable Seat
 - 360° Camera
 - MG Pilot – 14 safety features
 - Auto Dimming Inner Mirror
 - Two Level Boot Floor
 - 18" Alloy Wheel with Aero Cover
 - Flowing Two-Tone Roof

LONG RANGE 77

- In Addition:**
- EV Range 530km[‡]
 - 0~100km/h in 6.5s

[‡]Range based on Worldwide Harmonised Light-Duty Vehicles Test Procedure (WLTP) static laboratory combined average city and highway cycle test, which measures, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. Exceptional Service.

A Commitment to Accessibility and Quality

At MG, we prioritise accessibility and provide top quality service. Our dedicated network of dealers are committed to ensuring an exceptional experience for every customer. From the moment you step into an MG dealership, you'll be greeted by a team of experts who understand your desire for style and performance. We are here to ensure that your journey with the MG4 is truly extraordinary.

10 years peace of mind.

Your new MG comes complete with a comprehensive manufacture and battery warranty. MG's industry-leading engineering plus rigorous research and development programs also ensure a positive ownership experience. Our warranty coverage is backed by our nationwide dealer network.

P R E C I S E P R I C E S E R V I C I N G

Your MG4 deserves the best of care. With MG Precise Price Servicing, all items requiring maintenance as indicated in the MG service schedule, are included in the quoted cost. This means we assure you that the price listed is the price you will pay.
