

APPRENTICESHIPS & TRAINEESHIPS

START YOUR MOTOR INDUSTRY CAREER TODAY!

The Brisbane Isuzu team is well known for their outstanding business practices. We are currently seeking well presented and articulate candidates to begin their careers as an Apprentice Heavy Commercial Vehicle Mechanic, Apprentice Parts Interpreter, Trainee Sales Consultant or in one of our many varying roles. If you are motivated, driven, a fast learner and you love dealing with people, then this could be what you're looking for.

Brisbane Isuzu can offer:

- Multiple positions available working with new and used equipment.
- Able to cater to your skill specialties.
- Ongoing technical training
- Competitive Remuneration
- Long term career paths & promotional opportunities within the group

To be considered for this role you will be:

- A confident communicator
- A strong listener
- Ambitious
- Well-groomed and confident
- Proud to represent Brisbane Isuzu.
- Organised and punctual

This is a full time entry level role for a positive and ambitious person looking to build a career in the truck industry.

Don't miss out on this excellent opportunity offering numerous career paths within Brisbane Isuzu!
