Width between wheel arches (mm)	2094
Gross vehicle mass (kg)	4495
Front axle capacity (kg)	Man: 1740 / Auto: 1760
Rear axle capacity (kg)	Man: 2760 / Auto: 2740
Payload (kg) ²	Man: 2490 / Auto: 2460
Tare weight (kg) ²	Man: 1950 / Auto: 1980
Braked towing capacity (kg)	2800
Unbraked towing capacity (kg)	750

Paint Colour Available

Blanc White

Disclaimers:

1. Safety technologies may not operate optimally under all driving conditions and effectiveness depends on many factors. The driver is responsible for safe and attentive driving. See owner's manual for complete details.
2. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure; weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to State and Territory towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with a full tank of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar and wiring are fitted, blind spot monitoring will be disabled.
3. Terms, conditions and exclusions apply. The Capped Price Servicing Program is available to retail customers and fleet and business customers nominated by LDV Automotive. Rental, government, and motorhome purchases are excluded. For full terms, conditions and exclusions please see ldvautomotive.com.au. LDV Automotive reserves the right to at any time modify or discontinue the Capped Price Servicing program.
4. Subject to terms, conditions and exclusions on ldvautomotive.com.au
5. Whichever occurs first.
