(iii) Lost kevs or locked out - Where your vehicle is Roadside Support Plan upon service: When you have your Hyundai vehicle's scheduled service at a participating Hyundai Dealer, you will receive 1: months of included Premium Roadside Support fro the date of service (or 24 months from the date of service for IONIQ 5 V.3 and IONIQ 6 vehicles). This offer is available for all Hyundai vehicles (excluding rental buyers and taxis). Please mention the included Roadside Support Plan offer to your participating Hyundai Dealer at the time of your vehicle's service

1. Terms and conditions of service.

(i) Flat battery - The Hyundai Roadside Support free of charge. If the vehicle is towed as a result of a Plan provider will provide a "battery boost" and any lockout the driver will be required to sign an indemnity other practical support at the roadside to start your releasing the Hyundai Roadside Support Plan provider vehicle. Where your vehicle cannot be made mobile at and Assist Australia Pty Ltd from any liability should roadside, a new battery will be provided free of charge damage be caused by towing the vehicle while P or if your original battery is within the warranty period Park is engaged in the gearbox. (which is two years or 40,000 km, whichever occurs (iv) Out of fuel - Wherever possible, the Hyundai first). Change of battery after the warranty period will Roadside Support Plan Provider will provide sufficient be available at the driver's expense.

liquid fuel may be charged to the driver). Where it is serviceable tyre mobility kit (compressor and sealant not possible or practical to provide liquid fuel, a tow compound) available, and where the damage to the will be provided to the nearest service station at the tyre is capable of temporary repair by the emergency driver's expense. tyre mobility kit. The mobility kit cannot be used (v) Home support - During times of peak demand, "at where the damage to the tyre is extensive rendering roadside" calls will be given priority over that of "at it unserviceable. Where your vehicle does not have a home" calls for support. serviceable tyre mobility kit or where use of the tyre mobility kit is insufficient to temporarily repair the (vi) Accommodation - This is only provided for vehicles tyre, a tow to the nearest facility able to supply and when the repair time is estimated to take more than repair the tyre, will be provided at the driver's expe 24 hours (but can be locally repaired within less than Where more than one tyre has become damaged. 3 days) and the vehicle is more than 100km from the your vehicle will be towed to the nearest facility able driver's home. Accommodation will be provided for to supply and/or repair the tyre/wheel at the driver's up to 3 nights to a maximum value of \$120 (incl GST)

(vii) Rental vehicle - This is only provided for vehicles unable to be accessed due to lost or locked in keys when the repair time is estimated to take more than the Hyundai Roadside Support Plan Provider will 24 hours and the vehicle is more than 100km from the attempt to open the vehicle. This action will be subjec driver's home. The number of days the rental vehicle to satisfactory proof of ownership by the driver or will be available depends on whether or not the driver owner authority to drive the vehicle. The driver may chooses to take up the accommodation option. If required to sign an indemnity, releasing the Hyunda the driver chooses to use the rental vehicle option Roadside Support Plan provider from any liability in conjunction with the accommodation option, the should damage be caused by such forced entry. If th driver will be able to obtain a rental vehicle for up to 3 Hyundai Roadside Support Plan Provider is unable to days to a maximum of \$110 (incl GST) per day (subject open the vehicle, they will where practicable arrange to your vehicle being able to be locally repaired within the pickup and delivery of the spare key (if available).

per night.

Where access to the vehicle cannot be effected by

attendance of a locksmith will be arranged up to a

value of \$150 (incl GST) or the vehicle may be towed

liquid fuel (not LPG) to enable an out of fuel vehicle to

be driven to the nearest service station (the supply of

the Hyundai Roadside Support Plan provider, the

less than 3 days). If the driver decides to continue the iourney without accommodation support, the rental vehicle will be available for up to 5 days to a maximum value of \$110 (incl GST) per day. Vehicle rental arrangements are subject to any terms and conditions imposed by the vehicle rental company and exclude all fuel costs, insurance, tax, stamp duty charges or any (rental vehicle) relocation fees or excess kilometre charges, which will be at the driver's expense.

> (viii) Alternative ground transport - Where vehicle rental is not available or where the rental car compan refuses to provide a rental vehicle to any driver due to the driver's age or driving licence limitations or restrictions, or for any other reason beyond Assist Australia Ptv Ltd's control, alternative ground transportation will be provided to the registered owner's home address or intended destination where it is expected that the vehicle cannot be repaired locally or repaired within less than 24 hours and the vehicle is more than 100km from the driver's home. Alternative ground transport will be provided up to a limit of \$200 (incl GST) per incident. Where required, return transportation will be provided for one driver to

(ix) Vehicle recovery - If you decide to continue on with your journey and the repair time on your Hyundai vehicle is estimated to be more than 24 hours and the vehicle is more than 100km from the driver's home. we will deliver your vehicle to your home or another destination acceptable to us.

of the Hyundai Roadside Support Plan provider) within the metropolitan area of the breakdown (if the breakdown occurred in the metropolitan

area) or to the closest authorised Hyundai Dealer (if the breakdown occurred in the country) and an authorised Hyundai Dealer is present in the area. Where a disabled vehicle has been towed to the loca service facility of the Hyundai Roadside Support Plan Service Provider in the country area and the vehicle is still unable to be mobilised using "at roadside" repair methods, the Hyundai Roadside Support Plan Provider may commence Emergency Repair services or the vehicle will be recovered, by means determined by the Hyundai Roadside Support Plan provider (e.g. by car transporter) to the closest authorised Hyunda Dealer, Delays may be experienced with vehicle retrieve the vehicle.

(x) Remote areas - If your Hyundai vehicle requires support in a remote (sparsely populated) area, roadside support will be provided, however service delivery may be subject to lengthy delays brought about by breakdown location, availability and accessibility.

(xi) Towing - Towing will only be provided for Hyund vehicles weighing less than 2.500kg at the time of breakdown. Where the vehicles exceed this limitation and/or where specialist towing equipment is required

towing will be arranged at the driver's expense. The (xiv) Trafficable roads - Service will only be provided decision regarding whether a vehicle requires towing is at the Hyundai Roadside Support Plan provider's discretion. Where it is specified in these terms and drive vehicles and/or the towing/recovery vehicle conditions that towing will be provided, towing will be (where required) as determined by the Hyundai provided to the preferred authorised Hyundai Dealer Roadside Support Plan Provider. of the driver's choice (or to the local service facility (xv) Bogged vehicle recovery - Service will be

provided to vehicles stranded on a trafficable road (constructed roads/driveways that are legally trafficable by conventional two wheel drive vehicles and/or the towing/recovery vehicle, where required) and where no special equipment (including without limitation power winches or extended cables) are

(xvi) Special equipment - Should special equipment be necessary to effectively deliver service and/or where the Hyundai Roadside Support Plan Provider has to return to their service facility to obtain this special equipment, the additional cost involved will be charged to the driver.

(xvii) Natural disasters/industrial disputes - We
