Featuring a roomy 22-seat capacity, including driver, Coaster transforms a communal road trip into a pleasant journey, right from the moment passengers step aboard through the automatic sliding door (available on Deluxe grade only).

A high ceiling provides generous headroom, and with ample space between the seats, there is plenty of welcome legroom for the passengers. All models are fitted standard with luggage racks, air conditioning and heating, while the Deluxe model also features comfortable fabric seats and window curtains to help ensure every journey is an enjoyable experience.

The Public Address (PA) system and microphone come in handy when it's time to keep everyone up-to-date and informed, while satellite navigation<sup>3</sup> and the reversing camera<sup>2</sup> help keep you on track and in control. Brake Assist<sup>2</sup> can provide you with additional braking force in emergency situations.
